

# YEAR 3 HOME LEARNING

## Maths

We've got a year 3 battle on Times Table Rockstars.

Our favourite website is

<https://www.topmarks.co.uk/>

There are all kinds of quick maths games on here.

Try rounding and ordering.

If you'd like to do some pen and paper practise try setting some column addition or subtractions.

## Reading

Read as much as you can over the week. Read to your parents, siblings or just to yourself. Parents: below is the link and code you may wish to use to access reading comprehension materials.

<https://www.twinkl.co.uk/offer>

Type in code: CVDTWINKLHELPS

You will need to create an account using your email address.

## Computing

You could continue your computing lessons on

<https://code.org/> - have fun practising your coding skills.

Our class code is 3HC - **WRFDGZ**

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over this week. We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening.

Thank you for your continued support.

We hope to have email support set up soon and will share this address as soon as possible.

## Spelling, Punctuation and Grammar (SPAG)

You can play games on spelling frame and do your tests, we've put some extra red words on there.

Have a look at this webpage too

<https://www.bbc.co.uk/bitesize/topics/zhrrd>

## History: Romans

Find some Horrible Histories programmes about this period on BBC iPlayer or research information for children about these topics on the internet.

Could you try crafting a Mosaic?

## Writing

Creative writing.

Go to <http://www.pobble365.com/>

Use the above to practise your descriptive writing.

Think about all of the grammar and punctuation we have learnt about so far this year.

## Social and Emotional Development

Have fun with your family members playing games. You could practise your spelling games by playing Scrabble or spend time playing games such as Monopoly, Cluedo or other board games you have at home.
